## WHAT ARE COOKIES?

Cookies are small text files stored in your web browser that help ensure the proper and secure functioning of websites and assist in presenting relevant advertisements to visitors. We and our partners, who may manage them independently, use these files.

## HOW WE USE COOKIES

Cookie files help us remember your settings so that you can log in, complete your purchase, and customize the website's user interface according to your settings and personal preferences.

## PERSONALIZED ADVERTISING

Our partners listed below may combine data obtained through cookies with other information you have provided to them or that they have collected as a result of your use of their services. They may use this combined data for personalized advertising.
